Logger Dies In Loading Mishap At Lake Tahoe

Marceau Widely Known, Worked at Summit Many Years

TAHOE CITY— Joseph Charles Marceau, 39, was killed instantly when he was thrown from a log on which he was standing into the path of another rolling log about 10:45 o'clock last Friday morning.

The accident happened at the scene of logging operations near the Noonchester Mines, in the vicinity of Quail Lake, being carried on by Purdy Brothers. Deputy Coroner Harry Johanson of Tahoe City notified Coroner Francis West of Colfax, who requested N. F. Dolley of Truckee to remove the body to Colfax where a search is being made for relatives.

Marceau is reported to have lived in the vicinity of Soda Springs for the past five years and is said by friends to have left a wife and two children in Oregon.

$6,800 SET UP FOR TRUCKEE BRIDGE, O'CONNOR SAYS

Road Commissioner Joseph O'Connor reports that during the last fiscal year, Nevada County spent $385,509.53 on roads and that for the current fiscal year, starting July 1, the board of supervisors has approved $296,000 for this purpose.

This latter total will be swelled considerably when in lieu taxes and license fees come in and the county receives its share.

Of the $34,000 earmarked for primary construction, the report shows, $6,800 will go to the Truckee River bridge on the Truckee-Brockway cutoff.

OETJEN-LEAMON RITES FIRST HELD IN NEW CHURCH

The first wedding in the First Presbyterian Church at Mountain View, following its dedication, Sunday, July 15, was of interest to local friends of Miss Irene Oetjen and James Leamon, who were married at an afternoon ceremony, performed by Rev. Norman J. Darling.

Mrs. Warren Duke, sister of the bride, was her attendant and Robert Leamon of Truckee was best man.

Ushers were O. G. Alexander of Truckee and Kenneth Hedlund, recent Truckee resident. Mrs. William Kamerschen and Mrs. Russell Troxell were candle lighters and Mrs. Carl Miescke was in charge of the guest book.

The Lord's Prayer and Because were sung by Mrs. Arthur Walton, accompanied by Mrs. Samuel Addotto.

The bride, who was given in marriage by her father, Fred Oetjen, chose a white embroidered organdy gown fashioned with Peter Pan collar, a Juliet cap of the same material, finger tip veil and elbow length fingerless gloves for her costume. Navy accessories with a rose colored dress were worn by the bride's mother. Mrs. Harold Langille, mother of the benedict, wore a black and white ensemble.

A reception was given following the nuptials.

Mr. and Mrs. Leamon left for a wedding trip of an undisclosed destination. Mrs. Leamon has been teaching school in the primary grades here for the past year and has made many friends since her arrival. Leamon is employed by Rasco and has taken an active interest in civic affairs.

Donner Grade Accident Victim Given Judgment

A Nevada County superior court jury last week awarded Robert R. Allen, 26, of Reno, the sum of $200,000 from Wells Cargo trucking company of Reno as the result of an accident on Donner Grade October 11. Allen had asked for $600,000.

The driver of the truck was Kenneth Leon Eoff, now employed in one of Reno's gambling houses. Eoff testified that his brakes failed, causing the headon collision which injured Allen critically.

Patrolman Roy Stallard was a witness at the trial.

Truck Driver Escapes As Vehicle is Wrecked

Bobbie Dean Lewis, 29, Citrus Heights, escaped injury Tuesday when the Rumley Oil truck he was driving left the highway five miles east of Truckee and was wrecked. The cargo of asphalt was salvaged.

Lewis was cited by Patrolman William Gautsche for speeding and being on the wrong side of the highway.

Picnic Facilities Open At Donner Park This Week

The picnic facilities at Donner State Park will open Saturday, July 21, according to Bill Flohr, park ranger.

Each of the 38 picnic units consist of a table and stove, with rest room facilities at hand. A charge of 25 cents per car will be levied for those using picnic grounds. However, Flohr says, organizations or groups may make reservations and will be charged five cents a head. He asks that those wanting to make such arrangements call the park so that facilities can be reserved.

The picnic units are located near the Donner Lake Beach at the east end. Incidentally, Flohr said, dogs will be permitted in the area only between the hours of 7 a.m. and 8 p.m. and then only if they are on a leash.

The public camp ground south of Donner Creek opened in the park last Saturady and the ranger said that 35 parties took advantage of the facilities opening night.

JUDGE COMMITS WILD DRIVER TO STATE HOSPITAL

Delmer Truesdell Israel, 48, of Palo Alto, who was arrested ten days ago by State Patrolmen Roy Stallard and Harry Uhde after a wild chase from Truckee to Baxter, has been committed to Agnew State Hospital following a hearing before Superior Judge Lowell L. Sparks at Auburn this week.

Israel, who at times led the patrolmen at speeds up to 95 miles an hour over the Sierra grades before he was apprehended after a minor accident just east of Baxter, had been under observation at the DeWitt hospital in Auburn.

He told officers after his capture that he was under an emotional strain because of domestic troubles.

The race after Israel started after he allegedly refused to submit his car to a search and sped away from the state quarantine station here. Charges in the justice court of Judge Fosten Wilson accusing the man of several traffic violations are expected to be dropped as a result of the superior court action.

Traveling Couple Hurt In Wreck at McIver's

Mr. and Mrs. Harry L. Voss, Duarte, Calif., suffered minor injuries when their car, driven by the latter failed to make the turn at McIver's just west of Truckee and was wrecked. They were treated by Dr. L. D. Nelson.

Patrolman Roy Stallard cited the driver for speeding and having faulty brakes.

Just-Weds Honored At Sunday Dinner

Entertaining in honor of her brother-in-law and his bride, Mr. and Mrs. Ermin Hintz, Mrs. Ray Hintz served a wedding dinner on Sunday, July 15. The table and appointments were in pink and white and after southern fried chicken dinner, a white bride's cake was cut by the honorees. Also served was a birthday cake in honor of Ray Hintz's birthdate which occurred the following day, July 16.

Titus At Centennial, Visits Childhood Scenes

Frank Titus greeted friends he had not seen in 50 years and visited the house he lived in 65 years ago while attending the Genoa, Nevada, centennial celebration on Saturday, July 14.

The local man was accompanied by Mrs. Titus, a grandson, Philip Titus, and Dr. and Mrs. A. A. Cozzalio, enjoying the enactment of the Pony Express in action, parade and renewing of friendships of many years past.

Gov. Charles Russell, Senator Pat McCarran and several Washington officials were present to greet the several thousand visitors. More than 200,000 letters were cancelled that day for philatelists, it was reported.

Mrs. Dick Bighley of St. Paul and Miss Ruth Smisek of Colfax are visitors at the W. J. Smisek home here.

Two Accused In Burglaries; Loot Found In Room

Sugar Bowl Area Home Owner Files Charge Before Vernon

Louis L. Kusowski, 51, was in the Truckee jail and Morgan L. Haslam, 26, was being sought as the result of the burglarizing of four homes in the Sugar Bowl area of Donner Summit during recent weeks.

Constable N. F. Dolley and Deputy Sheriff Wesley Fair went to the summit Tuesday night and after investigating, arrested Kusowski, who, Dolley said, has admitted burglarizing two homes of liquor, a gun and other valuable items. Some of the loot was recovered, including a large console radio which had been sold for $15, liquor, guns and a sleeping bag.

Items valued at more than $500, Dolley said, were found in Haslam's room.

The homes reported robbed were those of A. E. Schlesinger, Mortimer Fleishhacker, John W. Preston, and A. M. Brown Jr. Since the alleged burglaries took place in Placer County, the officers of that county were notified and Justice of the Peace C. W. Vernon at Tahoe City issued warrants charging burglary to Preston who was located at the lake.

Kusowski, Dolley said, admitted entering two houses on the night of July 16 at 10 o'clock. He told the officers that he sold some of the whiskey but more was found in his quarters.

Both Kusowski and Haslam had been working for the Southern Pacific on a bridge and building gang since June but both had quit, Dolley was advised.

In fulfilling his duties as a supervisor, there are certain stipulated demands upon the individual to conform with the requirements of his office, but above and beyond these designated duties, efforts expended are up to the supervisor. We in this district have but to scan the record to find that our representative on the county board is devoting more time and energy outside the line of designated duties than in fulfilling the necessary requirements. No problem faced by this district goes unattended by our supervisor. The desires of his constituents are carefully studied and given full consideration, if they are worthy projects. One should be familiar with county government procedures and district competition to fully appreciate the job being done by our supervisor. It not only requires constant hard work and strict business application but a vast amount of diplomacy. The work accomplished since he took office bears mute evidence of the efforts expended and we sincerely feel that in our case particularly, the recent raise given the supervisors by the state legislature was more than justified.

The Tahoe National Forest is now entering its most critical period for fires and it is up to everyone to be a self-appointed fire guard. We can not only be careful personally in handling fires but we can report any violations which come to our attention. It is our forest and it's up to us to protect it.

LAKE TAHOE-SIERRA LUNCHEON SLATED ON NEXT THURSDAY

Harry Comstock, president of the Lake Tahoe-Sierra Association, and Pete Bennetts, also of Brockway, will share the spotlight at the luncheon meeting of the association at Homewood Resort at noon Thursday, July 26.

Comstock will give an illustrated talk on his recent South American trip and Bennetts, an official with the state hotel manager's association, will discuss pending industrial welfare regulations relative to employment of women.

The latter is of vital importance to all resort owners since it involves minimum wages, working conditions, fixed hours and other details which are usually not applicable in resort areas but which require enforcement in urban industries. All resort owners and others interested are urged to attend the meeting.

Bennetts has been appointed to represent the resort owners in hearings now pending before the industrial welfare commission, Mrs. H. F. Droste, association secretary, has been advised. Everyone is invited to attend the Homewood session.

Donner Weiner Roast Marks Boy's Birthdate

A weiner roast at Donner Lake featured the ninth birthdate of Reggie Smart, son of Mr. and Mrs. R. E. Smart. Swimming was enjoyed by the guests after a picnic lunch of hot dogs, watermelon and birthday cake. Guests who attended were Mrs. Ethel Johnson and children, Lorraine and Raymond; Mrs. Wes Fair and daughter, Bonnie; Mrs. Wm. Curran and daughters, Sherilyn, Kathleen and Wilana; Frankie and Shirley Patton; and the honoree's sister, Karen, and brother, Brian.

Polio Victims—

The five children of Mr. and Mrs. Angelo Pardini of Reno have been stricken with polio. None is in serious condition. The Pardinis formerly operated the bakery in Truckee and are well known here.

Sisters Visit—

Mrs. O. N. Hurst of Sacramento and Mrs. Caroline Pickit, owner of Peter Pan Lodge at Carmel, will leave tomorrow after visiting their brother-in-law and sister, Mr. and Mrs. Frank A. Titus.

Bridge Meet—

The Eightsome met yesterday afternoon at the home of Mrs. R. N. Little.

American Valley Here Sunday In Baseball Game

Chester Wallops Truckee Here Last Sunday 14 to 3

At the end of the sixth inning Sunday, it looked like the Mountaineers were in the driver's seat in the game against Chester with the score 5 to 3 favoring the visitors, but the loggers chalked up one in the 7th, four in the 8th and another four in the 9th and kept the locals scoreless. The game ended with Truckee on the short end of a 14 to 3 score.

Next Sunday afternoon the Mountaineers will entertain the American Valley team on the local park. Counter attractions last Sunday, including the boat races at Donner, kept the crowd small but a big turnout is expected on Sunday in well-matched game.

The Chester sluggers got seven hits off Karl Kielhofer during the first four innings but were held to four runs. Karl retired in the 4th and was replaced by Louis Goicoa. For three innings, Goicoa allowed only four scattered hits which scored two runs but his control faded and in the last two frames he was hit for eight hits and eight runs.

Ernie Dugan, Truckee catcher, was the leading hitter, getting two of the six Truckee hits in his three trips. Al Wakefield, initial sacker, hit two for four and Nuke Frates and Frank Giovannoni each got one single. Campbell, Ulsheimer, Foster, Martin, Stark, Davidson, Kielhofer and Goicoa went hitless against the steady pitching of Pitau, a University of California hurler, and Skillman, who plays for Stanford during the school term.

Managers Tom Dolley and Dick Little promise a good time for those attending next Sunday's game and again suggest patronage of the refreshment stand which will be maintained with cold drinks and hot dogs.

The score:	R	H	E
Chester	14	19	2
Truckee	3	6	5

Pitau, Skillman and Wellenbrock; Kielhofer, Goicoa and Dugan.

"No Parking" Signs Are Taboo on Highway

The use of "No Parking" signs along the state highway rights of way is not allowed.

District Superintendent T. T. Buell of the division of highways made this clear this week when he was called upon to order such signs removed in the Kings Beach area. Such signs are permissable on private lands and in driveways but not along highways, he said.

San Franciscan Cited For Drunken Driving

Vernon A. Hunner, 36, of San Francisco was cited for drunk driving yesterday after he drove his car off the highway near Farad. He will appear before Justice of the Peace F. W. Wilson.

Eve Continues Studies For Added Degrees

Arthur Eve, last year's principal at the Truckee Elementary school, is completing studies at Santa Clara for his master of arts degree which he will receive at the close of the current term. In the meantime, Mrs. Eve has accepted a temporary position as supervisor of the diet kitchen at O'Conner's Hospital where the regular supervisor is on leave for the summer.

Mrs. Eve writes that present plans call for them to remain at Palo Alto during the winter where Eve will work for his doctorial degree. They asked to be remembered to their many friends in this area.

WSCS Session—

The Woman's Society of Christian Service is meeting this afternoon at the home of Mrs. James Walker.

Return Home—

Mrs. William Englehart Jr. and children returned last Friday after a month's vacation spent with relatives in Pasadena.

Hobby Festival At Tahoe Will Start Tomorrow

TAHOE CITY— A display of countless hobby collections such as antique china and glass, bells, stamps, coins, bullets found in lumber at the box factory at Graeagle, wild animal pelts trapped locally, "root forms" gathered on walks through the woods, and many more common as well as unique collections will be on show at the Tahoe-Sierra AAUW Hobby Festival in the Tahoe City school July 20, 21 and 22.

Types of crafts and handwork to be seen include furniture made of driftwood, hand knit sweaters, hand made dog team sleds, a very fine four foot show model, hand made dolls, hand tied trout flies, jigsaw artistry, paintings, crochet work, needlepoint tapestries.

Many hobbyists will be there busy working at their particular hobby—weaving on a four harness handloom, spinning wool sheared from sheep, flower arranging, demonstrating pastry decorating, copper and leather tooling, rug hooking, pineneedle basket making, oil painting.

Special events include outdoor dancing, exhibitions of folk dancing and short movies on hobby subjects. The festival program will be found elsewhere in today's Sun.

NEW HIGH SCHOOL WILL BE READY IN EARLY SEPTEMBER

Contractor Melvin Gardner assured members of the board of trustees Friday that if the work continues and materials are available as currently scheduled, the new high school building will be ready for occupancy by early September. He excused delays on the plant by charging inability to procure scarce materials.

The meeting was harmonious and the board apparently was satisfied with the outcome.

Local Lodge Planning For Fall Convention

Summit Temple 79, Pythian Sisters, met Thursday evening and plans were discussed for the forthcoming convention, which will be held in Truckee September 6. Many different visiting lodges will be represented.

Friday, July 13, Pearl Heller, district deputy, visited the Colfax Temple. Bertha Tonini, Elsie Marquis, Ella Waters and Amelia Schumacher accompanied her.

Outdoor Sportsmen Meet Next Week at Capitol

A meeting of the Truckee Outdoor Sportsmen will be held at Capitol Hall Thursday evening, July 26, at 8 o'clock for the discussion of urgent business.

Members of the Washoe County Sportsmen's association and state fish and game officials, including Biologist Frazier and State Senator Harold Johnson, have been invited to attend. President Johnny Ciardella will preside and all sportsmen are urged to attend.

Janice Grey's Birthday Observed at Tahoe

Mr. and Mrs. Ralph Bretthauer entertained at a party to observe the 11th birthdate of their daughter, Janice Grey, at Lake Tahoe yesterday, July 18. After lunch at their cabin, the youngsters enjoyed swimming in the afternoon. To top off the evening, the guests were taken out to dinner. Those attending were Jesse Rablin, Lila and Loretta Farrar, Patsy Smisek and the honoree's younger brother Kenneth.

Vacation Over—

Mrs. Frank Giovannoni and children returned this week from a vacation in the bay area.

Driver Rescued When Fire Razes Truck Near Here

Cargo and Truck Total Loss West of State Line Sunday Morn

A Pacific Intermountain Express truck and its cargo of general merchandise were completely destroyed by fire and the driver, Noble Bert Hargrove, 40, Oakland, experienced a narrow escape from burning to death as the result of a spectacular accident just west of the Nevada state line on Sunday morning at 7 o'clock.

Hargrove was thrown from the cab of the vehicle with his clothing flaming from burning oil and was stunned by a blow on the head. The relief driver, Charles Wimmermark, 34, Hayward, extinguished the flames before the driver was seriously burned.

State Patrolman William Gautsche was told that the truck was proceeding west when a car attempted to pass on a curve and crest. A second car traveling east came over the crest and Hargrove pulled his truck to the right attempting to avoid a headon crash between the cars. The undercarriage of the heavy vehicle struck a rock causing it to swerve down the bank into a small ravine where it caught fire and was destroyed.

Nearby brush and timber also blazed and a quarter of an acre was burned over. The forest service from Truckee and the Verdi fire department responded and aided by volunteers soon controlled the blaze.

The truck and cargo were valued in excess of $40,000. The load was assorted merchandise, including radios, tires, Coca-Cola machines, oil and other items. Nothing was salvaged with the exception of the motor hood, which was thrown clear of the vehicle, Gautsche reported.

District Staff Here, Installs Legion Leaders

Anderson A. Cordill, sixth district commander, of Sacramento presided at the installation of new officers of Truckee Post 439, American Legion, last Friday night. He was assisted by his staff, including Meridith Bruhn, Winters, acting first vice commander; R. E. Johnson, district second vice; Mae Mitchell, district adjutant; Don Babeyco, district sergeant at arms; Art Flemmer, acting service officer; Orlo Strike, acting chaplain; Vera Clemente, commander of Virginia Bowden Post, Sacramento, acting finance officer; Pete Benton, district historian.

New officers of the local post are headed by John Rau as commander. Others are Cliff King, first vice; John Street, second vice; Hes Cardinal, adjutant; Doug Barrett, finance officer; E. A. Parker, service officer; Tom Borneman, chaplain; Bill Bottell, historian; Frank Giovannoni, sergeant at arms.

Lions Zone Chairman At Truckee Meeting

Zone Chairman N. S. Elder of Arlington spoke briefly before last night's meeting of the Truckee Lions Club, presided over by R. W. Seibold. Gus Benjamin, formerly of Wendover, Utah was inducted into the club.

Other guests were Eugene Graham, Berkeley, and Mr. Miller of the Fibreboard Company.

Five Truckee Scouts Win Awards at Camp

A high rate of advancement was the highlight of the second week at Camp Pahatsi, official camp of the Tahoe Area Council, Boy Scouts of America. Approximately 78 percent of the Scouts attending the camp near Soda Springs advanced a full rank in Scouting.

Among the 63 boys earning advancement were five from Truckee Troop No. 7, including George Gregory and Joe Miller, to second class; Stan Rasmussen, Donald Metteer and Donald Matson, to first class rank.

Patricia Barrett Feted On First Birthdate

Mr. and Mrs. Douglas Barrett entertained at a family dinner to observe the first birthdate of their daughter, Patricia, on Sunday, July 15, at their home here. The table was centered with a heart shaped cake topped by a single candle. Those attending were Mr. and Mrs. Walter Barrett; Mrs. Robert Leamon and children, Barry, Marcia and Richard Bruce; Kathryn, Sheila and Phyllis Barrett.

POLLOCK HONORED

Friday, July 13, proved to be a lucky birthdate for Maurice Pollock, who was presented with a decorated angel food cake by Mr. and Mrs. C. A. Tollefson and the event was fittingly observed.

Assessment Cut

Carl Schmidt of Lake Forest, on behalf of the Tahoe Summer Conference Association, requested a reduction in the organization's assessment before a recent meeting of the Placer County suprvisors. The request was granted, subject to the approval of the district attorney.

DOUGLAS SQUIRRELS ARE SCARCE IN SIERRA DUE TO PINE CONE FAMINE

According to Fred Ruth of Contra Costa College, an instructor at the California Audubon Camp at Sugar Bowl, near Norden, Douglas squirrels (or chickarees) are scarce in the coniferous forests of the Sierra after the failure of the cone crop last year. Unlike some other squirrels and chipmunks, the chickaree does not hibernate. Neither does it migrate down into the lowlands in winter. Instead, like many a farmer, it must put away a crop in summer to carry it over the long winter—and last summer the crop failed.

The Douglas squirrel is a one-crop farmer. During the summer it harvests the green cones of sequoias, firs and pines. If the squirrel is not hungry it drags the cones into a moist nook or perhaps into a spring to be stored for winter eating, for moisture seems to be essential to prevent the cones from drying out and the seeds from spoiling. Fifty to eighty cones are stored in a single cache. When winter comes and all other food is covered with 15 to 20 feet of snow, the thrifty squirrel comes chattering down from the top of a red fir, digs down into his hoard and soon litters the fresh white snow with the green cone huskings.

Last year for some reason there were few pine cones and almost no fir cones. The woods were full of frantic little squirrels running noisily up and down the trees in search of food. When the snow blanketed the forests, there was little to eat and the chickarees died by the hundreds everywhere in the Sierra Nevada.

Miss Blance Wehe of Martinez, Miss Betsy VanSeventer of Berkeley and Miss Vera Fremlin of Fillmore, while making plaster casts of animal tracks as part of their work at the California Audubon Camp, found the tracks of a chickaree, showing that at least one of these little mammals still remains in the forest near the Audubon Camp at Norden. Perhaps this track is all these campers will see of the chickaree this season.

But already sticky cones are pointing like slender candles to the sky on every red fir. The cone crop is good this year and the squirrels are prolific. Unless martens, goshawks, eagles and other natural predators take too great a toll, the forest around the camp will again echo with the characteristic "chee-chee-chee-cheeee!" of the chickaree.

Forest fires each year cost millions of dollars! Don't start one! KEEP OUR FORESTS GREEN AND GROWING!

DEER HERD PROBLEMS FACE COMMISSION AT MEETING FRIDAY

A request of the Plumas County Conservation League that part of deer refuge 1-P be opened to hunting this year will be considered by the California fish and game commission when it meets July 20 in San Francisco. Commission action hinges on the outcome of a public hearing in Susanville July 18.

Jack Farnsworth of Portola, president of the league, asked to open the eastern portion of the Dixie refuge, closing a 60 square mile area on the western boundary. He reported th condition of forage in the refuge critical and that a controlled harvest of deer in the area is necessary to restore the range.

Antlerless Hunts

In their meeting tomorrow, the commission will also take final action of proposals for two antlerless deer hunting seasons. The controlled harvest of 1700 deer of the Lassen-Washoe interstate herd in Plumas and Lassen Counties has been recommended by a study committee. Critical range conditions and an increase in the herd has prompted official recommendations for another antlerless hunt on the California-Oregon herd in the Devil's Garden area of Modoc County.

The commission has turned down a request of the Siskiyou County Farm Bureau for a special season on antlerless deer "for at least a year."

Meanwhile, it was announced that permits for antlerless deer hunting in western Nevada County areas will be sold for $1 each, beginning at 9 a.m., September 12, at the Veterans Memorial Building in Grass Valley.

First Season July 25

The first of California's deer hunting seasons opens half an hour before sunrise Wednesday, July 25, for bow and arrow sportsmen only in portions of 27 Coast Range counties between Mendocino and Glenn on the north and Orange and Riverside on the south. The 10-day archery season ends Friday, August 3, in the central and south coastal areas. Bag limit is two bucks.

Bow and arrow hunters must be equipped with a $3 archery hunting license and an archery deer tag. The tag is valid only during one of the two annual archery hunting seasons and may not be used for hunting deer with firearms.

JUDGE VERNON LEVIES FINES FOR USING TABOO SET FISH LINES

TAHOE CITY— Tahoe vacationist, beware!

If you want to go fishing in Lake Taheo, that's fine and dandy with the fish and game warden—but do it in the prescribed manner. A number of visitors have been caught up in the toils of the law because they couldn't wait to catch their fish in the ordinary way but put out set lines or set poles to let the unwary fish catch themselves. Warden Tom Borneman and his assistant, Gilbert Berg, have been spending much of their time out in a boat on the lake and it is comparatively easy for them to spot the set lines and come in for an official visit.

On Saturday last Mrs. N. Strauss of Fresno, who is vacationing at Carnelian Bay, was cited for tying two fishing lines to the pier, even though her husband declared she knew nothing of how to fish and hadn't even baited the hooks. She appeared before Justice of the Peace C. W. Vernon of Tahoe City and was fined $25. She had pleaded not guilty and demanded an immediate trial, which she received. The judge ruled that the law specifically forbids set lines of any kind and ruled her guilty.

On Monday Charles A. Hine of Oakland pleaded guilty to a charge of having a set pole along the lakeshore and was fined $50 by Judge Vernon.

Two more similar cases are due to be heard this coming week in Judge Vernon's court. Donald E. Wheeler of Fresno must appear on a charge of having two set poles on the Truckee River and Mrs. R. L. Coleman of San Francisco must appear on a charge of having two set poles on a wharf at Carnelian Bay.

GOOD CROWD TURNS OUT TO WITNESS C.G. FLOTILLA RACES

TAHOE CITY— A fine crowd turned out for the Coast Guard Flotilla 61 races on Sunday last at south Tahoe's Bijou.

Winner of the championship race was Dick Scott of Oakland, cousin of Bud Scott of Tahoe City, whose 4-E racing hydroplane, Little Benny, took the spotlight in 3 minutes 12½ seconds over a course of approximately two miles. First in the 350 cubic inch displacement class was Charlie Mapes of Reno in his 19-foot Chris Craft, with William Stead of Reno second and Mrs. Margaret Hankins of Meridian third. Her boat was driven by Randy Walker of Reno, well known junior racing expert. The only boat in the 325 HP class which was actually a 325'er was Brad Baruh's of San Francisco, who permitted volunteers to fill the quota of three boats in order that the race would not be scratched. Stead came in first, Mapes second and Baruh third.

Mrs. Dick (B. G.) Scott took the women's championship race in her husband's speedy 4-E over the same course as the men. In the 10 HP free-for-all outboard class, Ronnie Wolmar of Burlingame was first, Weldon Patterson of San Francisco second and Ted Morini of Meridian third.

The races got under way around 10 a.m. and lasted until 1:15 p.m. with Vice Commodore Fred Main doing an excellent job of announcing. Commander Hettrick, Captain Peterson and Commodore LaRocha of the 12th Naval District at San Francisco presented the prizes at Bal Bijou tavern at 8:30 p.m. that evening. Dinner, dancing and entertainment were enjoyed after the presentations.

Glenn Jackson at Lake, Expects Service Call

TAHOE CITY— Glenn Jackson of Stockton, former Tahoe City boy, is visiting with a friend at the lake for several days. He has been studying to become a doctor but expects to postpone his classes in the very near future to answer a call from the Naval Reserve air corps.

County Will Share Cost Of Rodent Control

Placer County supervisors have given their approval to sharing the expense of rodent control in the Lake Tahoe area for the fiscal year 1951-52. The county's share was estimated at $500 by William Wilson, agricultural commissioner, and he was authorized to include that amount in his budget. The balance of the cost is born by the state.

WORKER IS INJURED BADLY IN FALL FROM HIGH LADDER

TAHOE CITY— Dr. C. B. Pedersen of Tahoe Tavern administered first aid to Fred Echave, 31, last Saturday after the latter was seriously injured following a fall from a 20-foot ladder. He was employed on the property of the Washoe Investment Company as maintenance man at their Crystal Bay holdings. He was doing some painting at the time of the accident.

Dr. Pedersen declared he received a cerrebrial concussion and numerous contusions and abrasions of his leg and may be suffering from internal injuries. He was rushed by ambulance to Washoe Medical Center in Reno where he is now a patient.

Dr. Pedersen is again serving as resident physician at Tahoe Tavern for his 15th summer season. His nurse this summer is Miss Emily Clarke of Pennsylvania.

TRIO BOUND OVER IN GOLF THEFT; BAIL AT $5,000 EACH

TAHOE CITY— Lester B. Manz, 23, and Earl W. Ward, 25, both of Los Angeles, and Calvin Morris, 38, of Detroit, were given a preliminary hearing before Justice of the Peace C. W. Vernon last Thursday. They were accompanied from Auburn by Sheriff William Elam and Deputy Sheriff George Brandlein.

Dan Higgins of Auburn was appointed by the county to represent the trio and Lee Propp deputy district attorney of Placer County, represented the prosecution.

The men were arrested recently in Salt Lake City with golfing equipment and a radio allegedly stolen from the Tahoe City golf course club house. Two sets of the clubs and the radio were identified by Carl Bechdolt Jr., owner, and Angelo Bonio, professional instructor, of the golf course. Bail of $5,000 each was continued and they were returned to Auburn to await trial.

Preston L. Wright of Pasadena was in town over the weekend looking after his interests. Marvin Rahn of the Woodlake Investment Company of Sacramento was here to confer with Wright as his firm is taking over the sales promotion phase of Wright's business. Rahn was accompanied by his wife and both expressed their enjoyment of our village.

Mr. and Mrs. Frank Seymour spent the weekend in Auburn visiting the former's brother-in-law and sister, Mr. and Mrs. Harry Stewart, and his niece, Mrs. Anna Pyle.

Mr. and Mrs. Wesley Craig have left for Pasadena where they will spend their vacation with Mrs. Craig's parents, Mr. and Mrs. Virgil Simpson.

Mr. and Mrs. Harvey Hansen and son Wayne of Sparks visited the former's parents, Mr. and Mrs. Julius Smits, over the weekend.

F. Ball Miller of Omo Ranch, Calif., is visiting his son and daughter-in-law, Mr. and Mrs. Byron Miller.

Mr. and Mrs. Jesse Marble have returned from a visit with his relatives in Loyalton and Quincy. They brought his nephew, Ben Marble of Quincy, back with them. Over the weekend they were visited by Marble's brother and sister-in-law, Mr. and Mrs. Lester Marble of Forest Hill, and his uncle and aunt, Mr. and Mrs. Buell Alesander of Loyalton and their daughter.

MORE HOME-TOWN SERVICE FOR WEST'S HOME TOWNS
We're putting many millions more into telephone facilities this year

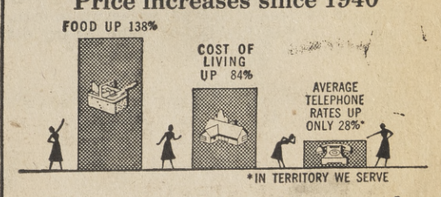

1. **All across the West,** in the country and in the cities, telephone people are still hard at it expanding and improving the telephone system. For our population continues to grow. The demand for new telephone service goes right on... in spite of our having doubled the number of telephones in use in the past ten years. And doubling the amount of money invested in the telephone business in just five years.

2. **New facilities,** installed in just the past five years have increased our plant $660,000,000, the largest expansion program ever executed by any public utility operating company. Again in 1951, we'll put many millions of investors' money into the West. Much of the material we will use will be purchased in the West's towns and cities. Certainly most of them will benefit from the program's jobs and payrolls.

3. **It's taken a tremendous investment** to build to serve the million and a half new telephones we've added since 1945. And, building as we have in the face of inflated costs, the equipment to serve a new telephone has averaged about $400. Before 1940, the average was about $250. Yet rates are up far less than our costs of providing service...on the average less than half as much as the cost of living. Your telephone is one of your budget's best friends.

Game Commission's Tahoe Meet Costly for State's Taxpayers

By HENRY MacARTHUR
(Capitol News Service)

"How to spend a pleasant weekend at the taxpayers' expense in one easy lesson" could easily be the title of the state fish and game commission's minutes for its meeting on June 23.

The commission, with only one member, Lee F. Payne, Los Angeles, the president, absent, met at the swank Brockway Resort at Lake Tahoe.

Entitled to draw state expenses for the one-day meeting, which started at 10:15 a.m., and adjourned at 1 p.m., were Paul Denny, Etna, Siskiyou County; Harvey E. Hastain, Brawley, Imperial County; William J. Silva, Modesto, and Carl E. Wente, San Francisco.

State expense for meetings of state boards and commissions, however, uotside of headquarters offices, are not curtailed to commission members alone, who in the instance of fish and game are entitled to draw $10 per day salary; $14 per diem expenses, and mileage at seven cents for the first 300; six cents for the next 400 and five cents for each mile thereafter, out of the state's coffers.

The Brockway meeting of the commission was attended by 13 additional state employees, making a total of 17 in all who were entitled to be on the expense rolls of the state for June 23.

The employees attending the meeting were, headed by $13,000-a-year "General" Warren T. Hannum, director of natural resources. Necessity for Hannum's attendance is somewhat of a mystery, as the minutes do not indicate the "general" had anything at all to say.

Another state employee — $60-per-day-and-expenses Seth Gordon, the Pennsylvania fish and game expert whose contract with the wildlife conservation board ran out last February but which was renewed in June — was on the trip as was Ralph W. Scott, a deputy attorney general.

Members of the fish and game commission staff who attended the meeting were E. L. Macaulay, executive officer; L. F. Chappell, W. J. Harp and A. H. Willard, all members of the bureau of patrol; R. S. Croker, bureau of marine fisheries; A. C. Taft, bureau of fish conservation; Ben Glading and Lawrence Cloyd, bureau of game conservation; K. A. Adams, public information officer, and Monica O'Brien, secretary.

In holding the meeting at Lake Tahoe, the imposing staff of 17 drew only eight persons who had business with it, according to the minutes, and apparently none of them live at Lake Tahoe.

These individuals, whose expenses apparently came out of their own pockets or out of expense funds of their organizations, were:

George Difani, Organized Sportsmen; John Farnsworth, Plumas County Conservation League; Glenn Smalcomb, unattached sportsman; John Constanza, Seine Sea Food Packing Company; Julian Burnette, Pittsburg Canners; Stanley Bergerson, Red Rock Fisheries; Dud Lawrence, California Bowmen Hunters, and Charles Buchan, Van Camp Sea Food Co.

Usually, the policy of boards and commissions in holding meetings in places off the beaten track is to afford residents of the area an opportunity to be heard on matters pertaining to those areas. The minutes of the meeting, however do not disclose any discussion of fish and game problems in the Lake Tahoe area, let alone an attendance of a Tahoe delegation.

Rather, the commission acted on a proposal to establish 25 duck hunting blinds on Grizzly Island game preserve in Solano County, deferred action on the Los Banos refuge in Merced County, gave notice of intention to hold an antlerless deer hunting season in Lassen County; acted on permits for commercial fisheries in Contra Costa, Alameda, Humboldt, Monterey, San Luis Obispo, Sonoma and Marin Counties, asked for reservation in sale of some land on the Klamath River, called off a deer hunt at Fort Ord because of army objection, discussed a doe hunt in Siskiyou County, allowed game management permits in Colusa, Sacramento, Sutter, San Joaquin and Butte Counties.

Reorganization of the fish and game commission into a permanent department of state will be effcted in September, in line with a new state law. The commission's headquarters at the present time are in San Francisco, but Governor Earl Warren declared in a recent press conference that he is anxious to have the department moved back to Sacramento as soon as possible. The only thing holding back the move to this city is lack of quarters, the governor indicated.

CAMPERS! Douse your campfire. Keep our forests green!

SHOW AT PINELAND ADDS MONEY TO TWO GOOD CAUSES

TAHOE CITY— A fine crowd was on hand Saturday night at Pineland Bowl, about two miles south of Tahoe City, for the Swedish concert staged by Charles Beardsley and his neighbors. The entertainment was given for the benefit of the Tahoe City Volunteer Fire Department and for Clarence Beavers, officer of the Tahoe National Forest, stationed at Tahoe Park Campgrounds. Mrs. Bertel Anderson, in charge of ticket sales, does not yet know the exact amount realized from the show but believes several hundred dollars will be divided between the two excellent causes. The fire department needs blankets, cover stretchers and other equipment and Beavers will purchase a projector on which to show to various clubs and organizations of this area some of the excellent and instructive pictures which are furnished through the forest service.

From Oakland came 32 members of the real estate board's Tune Spinners, who were guests at a pot luck dinner before the performance at the home of Mr. and Mrs. Del Richards in Pineland. About 75 members and guests enjoyed the tasty dishes brought by the neighbors.

The Hungarian Dance Song opened the program, sung by the chorus, after which followed jokes by the three Swedish minstrels, Bert Anderson, Henry Sams and John Weis. Six couples from the Tune Spinners gave their interpretation of the Teddy Bear Picnic, a folk dance. Soprano Frances Carlson sang three Swedish numbers; George Carson, Oakland realtor, gave a one-man act of the Open Road. Sylvia was sung by the chorus, followed by a folk dance, Oklahoman Mixer, by the Tune Spinners. Bert Anderson soloed I Just Go Nuts About Christmas and Yingle Bells.

Joyce McMillan, Oakland TV and radio artist, sang two solos and the chorus rendered I Dream of You. The Tune Spinners gave two more numbers, Varsuvienne and Road to the Isle, and George Stewart of Quincy thrilled the crowd with two violin solos. Alice Edwards of Oakland, soprano, sang When Irish Eyes Are Smiling, followed by George Carson in a Gilbert and Sullivan skit.

One of the biggest laugh getters of the evening was the rendition by Oltha Wulfing of Oakland of the song "Don't Put Your Foot in My Face, Dear!" as interpreted by Mae West. Mr. and Mrs. George Stewart did a duet dance to the Tennessee Waltz and Frances Carlson's Home Sweet Home and the entire audience joining in the Battle Hymn of the Republic wound up the evening's performance.

On Sunday the Tune Spinners went by boat to Homewood Resort where they enjoyed breakfast before starting on their way home.

SWANEE'S TAHOE LETTER

PHONE TAHOE CITY 39W

Tahoe City, July 15

Dear Tahoeites:

What a busy weekend this has been, with resorts crowded to the gunnels and a steady stream of traffic going by night and day.

One big event over the weekend was the Swedish concert staged at Pineland Bowl Saturday night for the benefit of the Tahoe City Volunteer Fire Department and for Clarence Beavers of Tahoe Park Campgrounds. At this writing, the amount of money realized from the very enjoyable affair has not yet been determined but the sponsors believe it will run into several hundred dollars when all money is turned in. Charles Beardsey, Pineland realtor, was the one to think up the benefit and he had ready and willing assistance from his Pineland neighbors and friends. A large crowd was on hand, the weather was nice, if a little chilly toward the end of the program, which consumed three hours, and the audience was appreciative.

Speaking of Pineland, Bert Anderson, the contractor who has built most of the 55 homes now being occupied, has just finished building a three bedroom home for Mr. and Mrs. Albert Schlictmann of Burlingame in the Timberland Tract, a little farther south of Pineland.

The new memorial library being donated to the townsfolk of Tahoe City is rapidly nearing completion with the staining of the building last week by Contractor Norman Mayfield's workmen. It won't be long now before the dedication program, being planned by Carl Bechdolt Sr., who is building the edifice in memory of his late wife, Julia, can be announced. A special party will mark the completion and opening of the new free public library, which is a branch of the Placer County Free Library.

This week I have an urgent request for a few good neighbors to heed a call for help from Mr. and Mrs. George Tiffee of Tahoe City. On June 26, Mrs. Tiffee underwent a five-hour operation in Washoe Medical Center, Reno, after which two blood transfusions were necessary. These were taken from the hospital's blood bank and the need for the transfusions was not known before the patient underwent surgery. The blood is given the patient with the understanding that it be replaced, if possible, within a week by other donors. Since no arrangements had been made for the transfusion, Mrs. Tiffee believed that their daughter, Blodwyn, and her husband could readily replace the blood used. But she has found that Blodwyn is too young and her husband, who has been ill, has been advised by his doctor that he is in no condition to contribute. Hence this call for help fro mthe Tiffees, who are well known and highly regarded in this area. Blood not replaced must be paid for but the hospital prefers that the blood be returned to the bank where it is critically needed. Anyone who is going to Reno soon and who can spare a pint of blood will be sincerely thanked by the Tiffees. The only persons who are restricted from giving are those with tuberculosis, diabetes, malaria, anemia, gastric ulcers, jaundice, arthritis or heart trouble. A call to the Washoe Medical Center can be made for an appointment between 11 a.m. and 4 p.m. Monday through Friday and special appointments can be made for night time.

Mrs. Tiffee reports she is feeling much better since returning home and expects to be in good health by September when she plans to resume her teaching duties.

I visited the Albert Stevensons and their daughter, Mrs. Ethel Severson and her son, Corky, at their beach home at Sunnyside last week. The spend the month of July at Lake Tahoe each year. Corky, at 4½ years, has already "graduated" from kindergarten in home town of San Diego and is returning to school this fall to enter the first grade in a private school there.

Two new books now in Tahoe City Library, according to Mrs. Ruth Hoffman, librarian, are "Caine Mutiny" by Wouk and "From Here to Eternity" by James Jones. The latter is something new in reading adventure and is causing intnse curiosity among veteran readers.

Some inconvenience is being experienced by motorists going along Highway 89 both north and south of Tahoe City. Road crews have the roadbeds torn up and are putting on a much needed new surface. Earlier in the week it was reported by local residents that it took them two hours to go from Tahoe City to Homewood. Think of how beautiful it will be when the new highway is completed and it won't shake your teeth out of yuor mouth to go over 30 m.p.h.

Freddie Holt, son of Mr. and Mrs. George W. Holt, informed me that he will leave for his physical exams on Monday, July 16, in San Francisco and expects to join the Marines at San Diego shortly thereafter.

Will ring off for the week with a sincere hope that the traffic record for the lake established so far this summer continues on to fall and closing up time. My best to one and all, as ever, Swanee.

YWCA Camp to Open At Lake on Sunday

Three weeks of summer camp at Zephyr Cove, Lake Tahoe, is being offered to girls in western Nevada by the Reno Young Women's Christian Association. About 70 girls have registered for one of the three weeks when the camp will open. Preparations for the camp's opening on July 22 have been made, YWCA officials say.

Three periods of one week each have been scheduled for girls interested in outdoor activities. Camps begin July 22, July 29 and August 5.

The camp features games and sports, as well as evening entertainment for girls from eight to 18 years of age. Information about the camp and its facilities is available at the Reno YWCA.

ADVENTISTS PLAN INTERSTATE MEET AT LAKE FOREST

by J. B. CURRIER

Friday, one week from tomorrow, will mark the beginning of an inter-state ten-day convention of Seventh-Day Adventist ministers and members, to be held at Lake Tahoe, starting at 7:30 p.m.

Members of the denomination living in the various towns surrounding Lake Tahoe and extending even to all of the states of Nevada and Utah, will be meeting together to seek to more clearly comprehend the true Christian life as Christ would live it in this modern world.

Outstanding leaders of the denomination will be speaking at the various meetings that will be held. Included in these meetings will be special meetings each evening to which the public is cordially invited to attend.

Most prominent among the speakers will be H. M. S. Richards of the international Voice of Prophecy program. He will have with him his full broadcasting team. Also, Paul Wickman, director of the Radio Department of the denomination; E. E. Franklin, associate director of the publishing work of the denomination; and Dr. J. E. Weaver, president of Pacific Union College at Angwin, California, will be present and speak.

The site of the meeting will be the Methodist Campgrounds at Lake Forest, on the edge of Lake Tahoe.

Weather at Tahoe

TAHOE CITY— Observer A. E. Frodenberg reports that pleasant summer weather continues at Lake Tahoe, with the following daily high and low temperatures as follows:

July 9th: 78, 38; 10th: 77, 33; 11th: 72, 44; 12th: 79, 44; 13th: 78, 40; 14th: 80, 40; 15th: 79, 40; 16th, low, 38.

With 10 gates open, the lake level Monday was 6228.67 feet.

Alaskan Relatives Visit Couple in Pineland

TAHOE CITY— Mr. and Mrs. Bertel Anderson of Pineland recently entertained the latter's parents, Mr. and Mrs. George Tester of Kenai, Alaska. The Testers were on a missionary itinerary in the United States and remained for two weeks visiting here before returning to their home where they serve as missionaries.

Here's A Tip On Gasoline Quality

Some gasolines are refined to stress one or two special features . . . at the expense of others. No gasoline gives you all-around performance unless it has 8 important qualities...8 that make Chevron Supreme:
- Area-blending quality
- Mileage quality
- Power quality
- Anti-knock quality
- Vapor-lock prevention
- Starting quality
- Warm-up quality
- Acceleration quality

And because Chevron Supreme does have these 8 essential qualities, it's *better* balanced and thus *more* dependable under any conditions, anywhere in the West.

Give us a call today. We'll see that your bulk tanks are filled promptly. Judge for yourself what a difference Chevron Supreme Gasoline makes in *your* driving.

When better automobiles are built BUICK will build them

PARDON us if we play switchman with a familiar railroad phrase, but we aim to flag down some certain people . . .

Those folks who've always had a great big yen for a new Buick, but a big worry that Buick prices ran too high for their budgets.

Now we'll have to grant you that—on style and beauty and size and impressive appearance—a 1951 Buick looks like a pretty high price tag.

And we'll have to grant, too, that the zooming power and the luxurious ride and the heavyweight steadiness you get in a Buick would also indicate prices beyond the reach of most people.

But honestly, could anything be farther from the truth when you note the sample prices for 1951 Buicks in the panel yonder?

Isn't that beauty—with the big-power, big-mileage, eight-cylinder, valve-in-head Fireball Engine—and with prices starting below those of many of today's sixes—really within your budget picture?

Won't you admit here and now that you *can* have Buick room and comfort, *can* have Buick ride and handling, *can* have Buick style and size—for little, if any, more than you've been paying for lesser cars?

That leaves the next step up to you—stopping in to see us.

Come in soon, look over the SPECIAL, SUPER or ROADMASTER you've always wanted—and let that happy glow go surging all through you as you sign up for your smart-buy Buick.

Equipment, accessories, trim and models are subject to change without notice.

SUMMIT SCENE

by FRAN COUILLARD

The opening of the doors of the Soda Springs Hotel last Saturday afternoon at 4 p.m. was an event awaited by over 1,000 people. A tired and haggard crew of workmen, employees and owners who had stayed on the job for the previous 48 hours so that the dead line could be met, perked up as the expectant inspectors and sightseers pressed against the door. Bowers of flowers decorated every nook and craney of lobby, coffee shop and cocktail lnunge, flowers sent by well wishers of Brant and Doris Chaplin in their $50,000 redecoration enterprise.

Breathtakingly lovely was the composite picture. Stone work in the interior is of soft pastel shades which blends invitingly and hospitably with ballet length drapes. Huge plate glass windows in the cocktail lounge nestle between coppered panels of blasted plywood. Roomy and comfortable leather covered divans and arm chairs are neatly fitted around shiny topped cocktail tables. Modern and sittable bar stools face two indirect lighted back bar murals which depict summer and winter in the Sierra. Calm elegance married to usability and comfort prevade. Shining plates glass windows in the dining room reflect the refinished hardwood floor and gleaming colonial dining room furniture. A new paint job on the building was going on as the guests filed in, colors of which contrast with the natural background of pine trees and make a composition entitled to a frame. Not only did Doris and Brant exert themselves to the utmost as they led their guests through the newly decorated rooms but a full buffet dinner was set up in the dining room for each and every guest.

And still the work goes on, for the open house of last Saturday took in only the first and main floor. A new apartment for the Chaplins awaits completion on the second floor while dormitory accommodations for 90 will be ready by snow fall time on the third and top floors.

Guests from San Francisco, Sacramento, Auburn and Colfax came to congratulate as well as all the Truckee and Mountain folk. Congratulations, Brant and Doris.!

Barbara Zorich spends but little time at home these days as she drives back and forth from Soda Springs to Tahoe City, for Barb is chairman of the White Elephant division of the AAUW's forthcoming hobby show at Tahoe City and works on her money making project for the organization. Anything saleable for the table will be welcome and Barb already has quite a line of White Elephant merchandise that is very saleable. She says that the preliminary work for the hobby show is coming along beautifully and the gals anticipate a large crowd.

Art Couillard and Herb Frederick, postmasters at Soda Springs and Norden, get their heads together for the monthly area postmaster's round table and get together which will be held Thursday at Donner Summit Lodge. Art and Herb are co-hosts whilst Kenneth Hammaker, Sacramento postmaster, journeys to the area as guest speaker for the event.

Two bereavements of community residents and friends hit us within the past week. The first of these was Joe Marceau, known as "Little Joe" by his many mountain friends. Joe had been employed by all of the local hostelries and was well known in the area. His instant death, occasioned by a rolling log at Lake Tahoe, leaves his friends saddened and bewildered by its suddeness.

We mourn with the Crampton family over teh passing of Mrs Ethel Crampton, a 14-year resident in this area and one of the well known and beloved civic minded citizens here. Mrs. Crampton, who has been ill for the past few years passed quietly at 2 a.m. Tuesday morning in the mountain home she loved so dearly. Originally from Stockton w,here she has a host of friends, the 65-year-old friend of all, leaves her husband, Carmi; son and daughter, Jack and June; and four granddaughters, the best known of these being Peggy Crampton, who attended our local mountain school. The Crampton store ground has been the "friendly place by the side of the road" for years to campers who frequent the place each year, because Ethel Crampton was truly their friend. She will be greatly missed and mourned by all her neighbors as well as her greatly bereaved family. The funeral will be held at Stockton on Friday at 2 p.m.

Dee Dee and Smiley Tschopp return to their Soda Springs home from San Francisco where they have spent part of a happy summer helping Grandma and Grandpa can fruit. Dennis and Muriel Jones, former owners of Soda Springs Hotel, can't forget their old stamping grounds either, so they take residence with the Arthur Merrill Browns at Sugar Bowl come the latter part of the week and expect to reside there for a full month. Helen McCarty spends some more miserable weeks in San Francisco at the St. Francis Hospital where she goes through another traction deal for the neck and spinal injury sustained in a recent accident.

KINGS BEACH PIT NO 'SKEETER BREEDER SAYS SANITARIAN

AUBURN— James Wheat, chief sanitarian, appeared before the Placer County board of supervisors recently relative to conditions in the Kings Beach area.

Relative to a pit in Kings Beach, Wheat said there was no mosquito breeding in it, although there would be a lot of pollywogs. The district attorney informed him the property was up for purchase by the county. He pointed out that Joe King is interested in purchasing this piece of property and said he will fill it up immediately if allowed to purchase it. The board decided against purchasing this lang and prefers to sell it to anyone who wishes to buy it. Wheat reported the description has been obtained and it is only a matter now of the tax collector preparing it for sale on forms to be submitted to the board.

The health department also investigated at 25-foot strip of land near Buckhorn Inn, concerning garbage disposal. The strip was cleaned up satisfactorily and Wheat said he will recommend, since there is a definite health problem in the area, that the county fix the drain off Coon Street.

Grass Valley Gardn Club In Brockway Outing

The Ridge Road Garden Club of Grass Valley met July 10 at the beautiful summer home of Mrs. Clara Buckbee in the Brockway district at Lake Tahoe. Luncheon was served to the guests on their arrival and later several went swimming while the remainder of the afternoon was spent playing canasta and bridge.

Fourteen ladies from western Nevada County enjoyed the pleasant afternoon.

GLOBIN LOSES APPEAL AS CASE RETURNS TO EL DORADO COURT

SACRAMENTO —(C. N. S.)— The third district court of appeals Tuesday ruled against Frank Globin, owner of Globin's Al Tahoe resort, in deciding jurisdiction of a damage suit filed by one of Globin's employees.

The employee, Russell J. Conway, manager of the resort, sued Globin for $10,200, alleging that the resort owner struck and knocked out all of his teeth during an altercation.

The El Dorado County superior court held that Conway's suit should have been taken to the industrial accident commission for settlement.

The appellate court, however, ruled that the superior court was in its jurisdiction in hearing the case and remanded the suit to El Dorado County. The asserted altercation took place September 10, 1949.

Mr. and Mrs. Henry Chanda received word on Wednesday that their son, Leonard, his wife, Lois, and their children received minor injuries in an automobile accident en route to their home in Los Angeles after they, with Mr. and Mrs. Walter Chanda and children, had all been weekend guests of the elder Chandas.

After seeing the moving picture, Father's Little Dividend, it is easy to see why Unadell Crawford hailed me so happily to announce the arrival of her first granddaughter, Gail Lynn, who came on July 14 to live with her parents, Mr. and Mrs. Joe I. Meyers, and 4 years old brother, Donnie, all of Los Angeles. Mama Jackie is the daughter of the Crawfords, Papa Joe is an assistant manager of a service station in the south.

Dick Boyce is back home from Salt Lake where he was employed for several months.

Mrs. Sada Welchke of Chico didn't allow a badly broken arm to cheat her out of a Lake Tahoe vacation with her cousins, Mr. and Mrs. P. R. Murray of Tahoe Estates.

The Wee Kirk of the Pines' annual Sunday School picnic will be held at the home of Mrs. Anna Blaue in Tahoe Vista, starting at 1 p.m. Thursday, July 26. Everyone is invited.

The WSCS wishes to thank everyone who contributed to the success of their ice cream social at Bonnie Beach Resort last Friday.

The Bible Study group met for the first time in the Open Air Chapel on July 17 with nearly a 100 per cent attendance.

There will be an official board meeting of the Community Methodist Church at the chapel grounds on Tuesday, July 24, at 7:30 p.m.

The Lake Tahoe Lions Club met last Thursday at Hunters Inn in Kings Beach with 23 members in attendance. Visiting Lions were John G. Hormel of Palm Springs and Jim Zamavelk of San Leandro.

C. E. (Bud) Mandeville was installed as president of the Brockway Rotary Club at its meeting in Hunters Inn on July 1. Other officers are Dr. Hillard Holmes, vice president; E. J. Stokes, secretary; Don Barkhurst, treasurer; Jerry Gordon, Rube Welch and Don Bowman, directors. Bowman is immediate past president.

Mrs. Hazel Nelson of San Francisco is spending the summer at Kings Beach.

Over 100 Campfire Girls At Tahoe Sessions

More than 100 Campfire Girls County, Nev.,d3(givenSw.tof |ET and Blue Birds from Washoe County, Nev., and Susanville have been enjoying two weeks at the Campfire Girls Camp at Lake Tahoe.

The girls have been enjoying sports and games, hiking and group singing. While at camp, all the girls are having the opportunity to participate in group skits that are presented to the entire camp around the evening campfire.

Girls from seven to ten are living in the Blue Bird Unit and in the Campfire Unit girls from 10 to 14 are participating. The girls are being supervised by a staff of 17 adults.

Tahoe Rotary Hears Talk by State Senator

HOMEWOOD— The Rotary Club of Tahoe City met at Homewood Resort Tuesday with 57 attending. Forty-one were visiting Rotarians and four were non-Rotarian guests.

President Don Snyder introduced Henry Holt of Palo Alto, who gave a short piano recital. Holt is a concert pianist and has played for many talented singers, such as Lily Pons and many others.

Snyder then introduced the guest speaker, State Senator Vern Hoffman of Lodi. The latter spoke on the operations of the legislature, telling of the procedure for handling money for the government and how the money is pro-rated.

Nice Voice, Bright Gun Nets Burglar $4,000

CRYSTAL BAY— Three occupants of a guest cabin at Cal-Neva Lodge were robbed of $4,000 early Sunday morning.

James Dworken, Fort Worth, Texas; Julius Berger, Los Angeles, and Ben Cohen, New York, told officers they awoke and saw a man at the foot of Dworken's bed. They reported the loss of nearly $4,000 in cash and jewelry. The man, Dworken said, was a good looking, pleasant voiced young man. He carried a bright looking gun.

Visits from Eureka—
Miss Dorothy Bryan of Eureka is visiting her aunt, Mrs. Coleman Hawkins for three weeks.

Round-Up Night Winners Announced by Callender

HOMEWOOD— Mrs. Pete Ables of Tahoe City was given an award for successfully guessing the number of horseshoes at Round-Up Night, held at Callender's Lodge here on Saturday, July 7. Mrs. Maizie Carnell, also of Tahoe City, was given an award, having been judged as having the best costume for the event.

Manager Ben Callender announces that a South Pacific Night will be staged at the lodge this Saturday night, July 21. Again, awards are being offered for the best costimes. Everyone is invited, in costume or otherwise.

Visit Here—
Mr. and Mrs. William Dirlan of Denver and his parents, Mr. and Mrs. Kirt Dirlan of Bismark, N. D., have been the guests of Mrs. Mary Marquis here.

Mrs. Euer Sues Son To Recover Property

Mrs. Zella Euer is suing her son, Louis, in Nevada County superior court in an effort to get back a 960-acre resort property in Euer Valley, northwest of Truckee.

Plaintiff names her son, his former wife, Constance Euer of Sacramento, and the Title Insurance and Guaranty Company as defendants.

She charges that on last June 5 her son induced her to deed the property to him, claiming it was necessary so he could sell the timber for her. She says he promised to give an accounting and return the property when she asked for it. She declares she has been informed her son got more than $30,000 from the sale of timber but has refused to give her an accounting.

She asks cancellation of a mortgage held by Mrs. Constance Euer, reconveyance of the property by her son, an injunction to halt the defendants from collecting any more funds from timber sales and an accounting of the rents, issues and profits of the property.

Tarzan

by EDGAR RICE BURROUGHS®

TRAVELLING THROUGH THE BUSH, TARZAN AND HIS NEW-FOUND FRIEND CAME UPON A DELIRIOUS WHITE MAN. WITHOUT WARNING NUMA CHARGED THE HELPLESS TARMANGANI!

TARZAN, NOT KNOWING THIS WAS THE MAN WHO HAD SHOT NUMA, TRIED TO PREVENT ATTACK.

NUMA, ANNOYED AT HIS INTERVENTION, CUFFED HIM ASIDE. THE BLOW STRUCK THE APE-MAN'S WOUND, STILL TENDER FROM HIS BATTLE WITH THE JAVA MAN, AND KNOCKED HIM UNCONSCIOUS!

WITH RAKING CLAWS, THE SNARLING CARNIVORE TOOK HIS REVENGE!

MEANWHILE, ANOTHER SPECTATOR CREPT HUNGRILY TOWARD TARZAN, THINKING HIM EASY PREY WHILE NUMA WAS PREOCCUPIED!

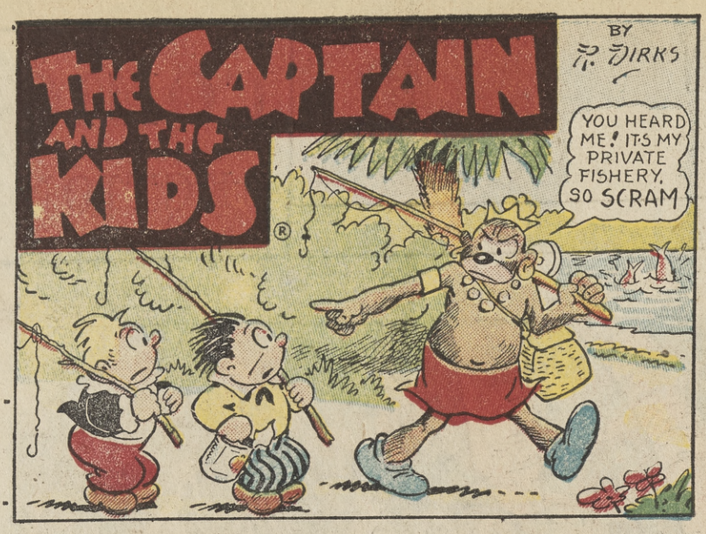

BUT A WARNING GROWL RUMBLED FROM NUMA'S MASSIVE THROAT! SHEETA SPIT HIS DEFIANCE --- THEN, FANGS BARED AND JAWS SNAPPING, THE MIGHTY CATS CLASHED!
